Dear guests,

Welcome to the Villars Alpine Resort hotels, where the magic of the holidays comes to life in an exceptional setting. As the snowflakes begin to choreograph their winter ballet, we open our doors for an unforgettable festive season.

Nestled at an altitude of over 1,300m, in the heart of the alpine village of Villars-sur-Ollon, the four hotels of the Villars Alpine Resort group has curated a vibrant program brimming with colors, flavors, and emotions for your enjoyment. Immerse yourself in the festive ambiance that enlivens every nook of our establishments, ensuring a stay filled with enchantment.

At Villars Palace, Chef Simone Riberi invites you on a warm culinary journey with a highly creative family-friendly menu at the Ballroom restaurant and a more intimate bistronomic exploration at Le 1913 restaurant.

At the Victoria Hotel & Residence, it's Chef Luca, accompanied by his team from Trattoria Artisanale Peppino, who offers you a true culinary adventure throughout your stay, featuring his best Italian recipes. Experience an Italian-style celebration that Chef Ramon knows how to enhance with his famous Panettones.

At Villars Lodge, nestled in a welcoming and comforting ambiance, skiing enthusiasts and aspiring adventurers can indulge in lively evenings and savor the delectable and traditional specialties offered at Le 1870 restaurant.

On behalf of all our teams, we wish you a wonderful holiday season, and we look forward to welcoming you to share delightful moments together.
